

# SUMMER ART CLASSES for CHILDREN

## JUNE: ART FOR ART'S SAKE

Teacher - Eileen Dunavan

Times - 9:00 - 12:00 M-T-W at the Art League, 320 N. Franklin St.

Cost for each three-day class - \$30 for the first child, \$25 for each other child in the family

### **June 7-9 - Mastering the Masters** K-8

Students will study the art style of some very famous masters, after which they will do some sketching and proceed to adding color to their own masterpieces.

### **June 14-16 - A Surreal Deal** K-8

Aahh, the fun and imagination of surrealism, especially when done by children! Students will also study two surrealistic artists.

### **June 21-23 - The Beginning of Color** Young children - 4 to 8 years old

Beginning knowledge of color: the color wheel, primary and secondary colors, as many things as we can learn about color in this age group. Students will complete their own color wheel, rainbow, and imaginative artworks using color.

### **June 28-30 - Art Unwrapped** Grades 3 and up

The study of clay. Students will be creating with clay and making small sculptures, clay pots, etc

## WET AND WILD CAMP

July 12-16 9:00 - 12:00 For 1st graders and up

Cost - \$50 for the week, \$25 for second, third child in a family

Campers will be divided into age groups. Each group will explore ways to work with paint or other wet media, and they will be encouraged to let their imaginations and creativity go WILD! We had so much fun last summer, we are trying it again. The campers will work both indoors and outdoors for a week of exciting experiences with art.

## JULY SUPER SATURDAYS

Cost - \$25. All materials provided. Time – 9:00 – 12:00

### **July 10 - Paper Pulp - paper making** - Teacher - Carol Garver (for all ages)

Students will learn how paper is made and make their own paper project. This is a perfect project for a hot summer Saturday. It will get wet and messy!

### **July 17 - Go Green** Teacher - Luanne Freed Children grades 1 – 12

We're "Keepin it Green" by creating artworks using found and recycled materials. Explore art while learning to respect our earth.

### **July 24 - Stepping Stones** - Teacher - Carol Garver (for all ages)

We're "steppin out in style" by making our own garden stepping stone. Students will use glass, and other objects to decorate their cement stones.

### **Aug. 7 - Wearable Art** - Teacher - Luanne Freed Children grades 1 – 12

Groovy tie-dyed t-shirts will be created by you, for you! Cool, colorful, and crazy....
